Dude, I almost forgot that September 19th is Talk Like a Pirate Day! So, to celebrate, I took to Twitter and came up with 1d12 random pirates you can use in your game. They're just concepts, so stat them up however you wish.

1. Vix the Red. Loves fried dolphin. Lost an eye, replaced it with a quartz ball. Hates swimming. He has 3 children at two different ports.

3. Scabberjaw. Young gnoll. Fur on top of head shaved into an ugly mohawk. Walks around on deck naked from the waist up. Wields big falchion

– Adam (@warpwalkers) [September 20, 2017](#)

4. Captain Scourn Grafferson. Pilots the Queen's Lament; he won the ship in a game of Dragon's Dice. Has a pet seagull named Percival.

– Adam (@warpwalkers) [September 20, 2017](#)

5. Abber and Berg. Twins. Covered in identical poke-and-stick tattoos. Always finish each other's sentences. They write home to Momma lot.

– Adam (@warpwalkers) [September 20, 2017](#)

6. Andorius Vald. Ex-librarian of the royal archives. Bored of scholarly life, took to adventure on high seas. Found love of shooting people

– Adam (@warpwalkers) [September 20, 2017](#)

7. Diggler. Half-deaf goblin. Wacky, but skilled engineer. Keeps the ships engines going. Says he can talk to gears. Bites anyone who argues

– Adam (@warppwalkers) [September 20, 2017](#)

8. Wormsnuff. Sentient wight. Crew think he's creepy as fuck. Only eats rats: agreement w/ captain. Carves tiny bone figurines when off duty

– Adam (@warppwalkers) [September 20, 2017](#)

9. Loradelle. Perky, rambunctious redhead teen with pigtails. Wears a huge hat and carries a huge knife. Crew is violently protective of her

– Adam (@warppwalkers) [September 20, 2017](#)

10. Seabot-19. Steam-powered automaton. Scared of storms after struck by lightning. Crew sometimes uses his spare gears as cannon ammo.

– Adam (@warppwalkers) [September 20, 2017](#)

11. Corv. Kenku with a steel prosthetic beak. Doesn't talk much. Slit his last captain's throat for one too many "crow's nest" jokes.

– Adam (@warppwalkers) [September 20, 2017](#)

12. Valdrix Leirande. Elf quartermaster. She never loses count of ship's inventory. Split tongue. Loves keelhauling a little too much.
